

Alumni

All University of Illinois graduates are eligible to purchase an alumnus Recreation Membership. Proof of graduation is required. Spouse/partners of alumni members may purchase a membership at the same rate the alumni pays upon verification.

Affiliated Members

Access to all Campus Recreation facilities is available for current UIC Affiliates by purchasing a Recreation Membership. This membership allows access to the Student Recreation Facility, Sport & Fitness Center, and the South Fields Complex. Membership privileges will be put on your current Affiliate I-card, and you must present this I-card each time you visit any of the recreational facilities. Affiliates have an option to purchase a daily pass for access to facilities. Affiliate members may sponsor guests for admittance.

Family memberships

Alumni and Affiliates may include a spouse or significant other and up to three children (17 years old or younger) living at the same address, for a total of 5 memberships. A marriage license, birth certificate and any other applicable documents are required. Children ages 18 and above may access facilities without a parent or guardian. Children 17 years and younger must be accompanied by a parent or legal guardian and are not allowed on the Fitness Floor. The parent or legal guardian must remain with the child at all times. Dependent children ages 18 and older that sign up for a membership are allowed to sponsor guests for admittance. Summer dependent memberships are intended for use by a college student home for the summer.
