

### **Equipment Check-Out**

Common sports and recreation equipment (i.e. balls and racquets), is available for use at the Equipment Check-Out Desk for free. To obtain these items, the member must present their UIC i-Card. The i-Card will be swiped by the attendant and returned to you, when you return your equipment. Please give the attendant your last name to make sure your check-in is in accordance with the check-out procedures. Should items be lost, stolen, or damaged, the member or parent/legal guardian will be charged for replacement of the equipment. It is the patron's responsibility to check for further damage before assuming responsibility of the item. If equipment is not returned to the equipment desk a \$5.00 fee will be assessed the individual that checked out the equipment. A hold will be placed on the member's account restricting access to the facility until the fee is paid.

*All racquetball racquets must be used with the supplied wrist strap. Participants are highly advised to wear eye protection for their safety.*

### **Pro Shop**

The Student Recreation Facility has many convenient and disposable items for sale. These items include racquetballs, squash balls, table tennis balls, swim goggles, swim caps, ear buds, combination locks and head phones. Items may be purchased at the Member Services Desk. All pro shop sales are final.
