Towel Service
Towel service is available at the Equipment Check-Out Desk. As a service to all of our members, towels are provided as a complimentary service. Please return your towel to one of the designated bins provided. Towel return bins can be found at various convenient locations throughout the facility and locker rooms.

Locker Room
The Student Recreation Facility contains three locker rooms. The men’s and women’s locker rooms are located adjacent to the Equipment Check-Out Desk, and can only be used by the designated gender regardless of age. The assisted change locker room, located next to the aqua suite, is a gender neutral space and should be used by parents with children of the opposite sex regardless of age.

Daily Use Lockers
All half size lockers are for daily use only. These lockers can only be used while you are in the facility. You must remove your items when you leave. We ask that all users only occupy one daily use locker, so that all patrons may be accommodated. A coat check service is available at the Check-Out Desk. Locks left on daily use lockers overnight will be cut. All contents will be removed and stored for a period of two weeks, then discarded. A $10.00 fee will be charged to reclaim contents from all cleared lockers during the two week storage period.

Annual Rental Lockers
A limited number of lockers are available for annual rental. The annual rental fee is $50.00 for students and $60.00 for all other members. Lockers are available for rent beginning June 1. All locker rentals will expire on May 31st at the Student Recreation Facility and Sport and Fitness Center. Renewals have first priority to retain rental lockers. Please inquire about the availability of lockers at the Membership Desk. Users are required to provide their own lock. Locks are available for purchase at the Member Services Desk. Any lock found attached to an un-rented locker without permission, will be cut. Use of a rental locker without registration and payment is prohibited. All contents will be removed and stored for a period of two weeks, then discarded. A $10.00 fee will be charged to reclaim any contents from the locker, during the two week storage period.

Complimentary Coat Check
To maximize individual patron use of daily lockers, a coat check service is available at the Equipment Check-Out Desk. Not responsible for anything happening to the coat, or any other personal items left at coat check.

Express Lockers
Book bags, gym bags, coats, and other personal items are not allowed in activity areas. All items must be secured outside of these areas. For your convenience, Express lockers are located on the main level near the MAC Court, on the 2nd Floor adjacent to the gymnasium, and on the 3rd Floor by the Racquet Courts. These lockers require a quarter for activation. Your coin will be returned when the key is re-inserted in the lock mechanism. Campus Recreation is not responsible for any unsecured items.
