

In order to provide a healthy experience for the entire UIC community of students, faculty/staff/spouse members, and guests, UIC Campus Recreation will heed the guidance of the Restore Illinois IDPH plan which all users are required to follow to ensure the welfare and protection of all parties.

The use of Campus Recreation facilities and services indicates your agreement to:

Adhere to all UIC Campus Recreation rules and regulations.

NOT visit any Recreation facility if I am aware of or displaying any symptoms of COVID 19 and/or that are potential flu-like indications such as fever, cough, or any difficulty with breathing.

Assume any and all liability for my health and well-being by physically attending the premises of a Recreation facility despite the recent COVID-19 pandemic.

Abide by the physical distancing guidelines(s) by keeping a 6-foot distance between customers, recreation staff, or guests at all times when using any recreation facility or any other product or service unless acute injury, risk mitigation, or safety measures require otherwise.

Face coverings are REQUIRED for entry and throughout the facility including while exercising. (Note: not required in water).

Temperature screenings are required for entry. If the temperature registers 100.4 or higher you will not be permitted to enter. For Students/Faculty/Staff you may show your daily "ADMIT" pass for entry.

Minimize and avoid unnecessary physical contact with others.

NOT attempt to use equipment that is non-operational or has any sign communicating non-use for any reason stated by Campus Recreation.

Thoroughly wipe down equipment/lockers/benches etc. before and after every use with the sanitation supplies provided by Campus Recreation and ensure all trash is discarded in designated waste receptacles.

Return all equipment to the original place for proper storage after every use.

Thank you for doing your part as we work together to keep our UIC community safe for all our valued students, faculty/staff/spouse members, and guests. Please check back on our website at <https://recreation.uic.edu> regularly as guidelines may change based on the guidance of the Restore Illinois IDPH plan.
